

Hilton Parish Council

Report from the Annual Meeting of the Council dated Monday 13th May 2019

Chairman & Vice-Chairman

Cllr G. Barradell was elected as Chairman of the Council and Cllr K. Dunk was elected as Vice-Chairman of the Council for the year 2019/2020. They signed their Declarations of Acceptance of Office which were witnessed by the Proper Officer.

Non-Motorised Users (NMU) Route

Work is progressing on the feasibility study and an initial outline report has been received by the Council. Transport Initiatives, who are conducting the report, will now look into the different options in further detail before making their recommendations. Look out for a document on our website detailing the route option and how the assessment will be made.

Paths

Due to the recent spell of wet weather the work on the paths has been delayed until 28/05/2019. There will be some disruption whilst this necessary work is carried out, for which the Council would like to apologise.

Benches

The working group has carried out a survey of the current benches and identified which benches require repair. This work will be carried out by volunteers. The map of the bench survey is available on our website.

Playground

The funding has now been registered with ENTRUST and the Council are working towards the funding agreement being released. Many donations have been received from parishioners for the new playground and the Parish Council would like to offer their thanks. The Clerk will be writing to the donors to formally thank them individually.

LHI Working Group

A working group has been formed and is looking into suitable highway related projects that would meet the LHI criteria.

The next Parish Council meeting will be held on Monday 3rd June 2019 in the Village Hall. Agendas will be issued in advance on the village notice boards and the Council's website www.hiltonparishcouncil.com. Parishioners are welcome to speak at council meetings on agenda items.
