

## Have your say on policing in Huntingdonshire - Join us on 22 June

Dear Nicola,

We're delighted to invite you to our upcoming quarterly online policing meeting, taking place on 22 June from 7pm to 8pm. This is your chance to get involved, share your views, and play a part in shaping the policing priorities for Huntingdonshire.

During the meeting, you'll have the opportunity to meet your local policing team virtually, learn about the work we've been doing in your area, and ask any questions or raise concerns that matter most to you. We'll also be providing an update on the priorities set for March to May, so you can hear first-hand about the progress made and what's next for the community.

If you have neighbours or friends living in the area, please do share this invitation with them—we'd love to hear from as many residents as possible. Your input is invaluable in helping us improve and tailor our policing services to the needs of our community.

If you're unable to attend but still want to have your say, you can also share your thoughts and concerns through our [Community Policing Survey](#).

Otherwise, [please register for the meeting here](#).

We look forward to seeing you there and hearing your views!

Kind Regards,

Inspector Colin Norden
