

## **A14 Cambridge to Huntingdon, Cambridgeshire: major improvements**

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. We are currently carrying out a variety of tasks for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

### Full closures

Thursday 2 to Friday 3 January (two nights)

- A14 westbound to westbound Girton link
- A1307 / local road westbound entry slip

Vehicles can access the A14 westbound by using the local road to join the A14 at Bar Hill junction 25

Thursday 2 January (one night)

- A1 northbound Brampton Hut exit slip

Vehicles wishing to access Brampton Hut roundabout will be diverted north to Alconbury to return on the A1 southbound

- M11 northbound junction 14 to A14 westbound Girton

Vehicles will be diverted west onto A1303 to continue onto A428 westbound, A1198 northbound and either join the A14 at junction 23 for through traffic or continue north to join A1307 for local traffic

Friday 3 (one night)

- A14 eastbound between Godmanchester/A1198 junction 23 and Swavesey junction 24

Vehicles will be diverted south on the A1198 and east on the A428 to re-join the A14.

Saturday 4 to Sunday 5 January (two nights)

- A14 westbound between Dry Drayton junction 30 and Bar Hill junction 25

Vehicles on the M11 will be diverted west onto A1303 to continue onto A428 westbound, A1198 northbound and either join the A14 at junction 23 for through traffic or continue north to join A1307 for local traffic

The local road between Dry Drayton and Bar Hill will remain open.
