

A14 Cambridge to Huntingdon, Cambridgeshire: major improvements

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

Full closures

Monday 12 to Wednesday 14 (three nights)

- A14 eastbound Bar Hill junction 25 entry slip

Vehicles will be diverted west on the A14 or A1307 to Swavesey junction 24 to access the A14 eastbound

Thursday 15 to Friday 16 (two nights)

- A14 westbound Bar Hill junction 25 entry slip

Vehicles will be diverted west on the A1307 to Swavesey junction 24 to access the A14 westbound

Friday 16 (one night)

- A14 westbound Brampton Interchange junction 22 to A1 northbound free flow link

Vehicles will be diverted to continue on the A14 to Thrapston junction 13, north on A605 to join the A1(M)

- A14 westbound Bar Hill junction 25 exit slip

Vehicles will be diverted to continue on the A14 to Swavesey junction 24b and then travel back east on the A14 for access to Bar Hill junction 25
