

## **A14 Cambridge to Huntingdon, Cambridgeshire: major improvements**

We are currently carrying out finishing works for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

### Full closures

Monday 19 to Wednesday 21 (three nights)

- A14 westbound to westbound Girton junction 31 link

Vehicles will be diverted to continue on A14 westbound to Caxton Gibbet, northbound on the A1198 and re-join the A14 westbound at Godmanchester junction 23

Thursday 22 to Friday 23 (two nights)

- Hinchingsbrooke Park Road between the Loop and B1514 Brampton Road

Vehicles will be diverted to use Hinchingsbrooke Park Loop, westbound on B1514 Brampton Road to the roundabout and return eastbound for access to Huntingdon

- A428 eastbound Madingley to A14 eastbound Girton junction 31

All traffic will be diverted onto the A1303. Motorway traffic will then be diverted south on the M11, east on A505 and north on A11 to re-join the A14. Non motorway traffic will continue on the A1303 and be diverted on local roads through Cambridge.

- M11 northbound junction 14 exit slip
