

# Hilton Parish Council Trim Trail Survey

# Original Survey Document

Dear Parishioners,

Over the years the Parish Council have been approached with many schemes for the use of Parish Council land, skate parks, tennis courts, football pitch to name a few.

Some have been implemented, such as the playpark at The Grove, however in accordance with the wishes of the majority expressed in the survey for the Parish Plan 2005, The Green and Wilderness have remained untouched with no permanent structures other than the Pavilion and the bridges over the ditches.

There is, however, before the Parish Council a proposal for a "Trim Trail", which considering the national push for a healthier and fitter lifestyle the Parish Council is giving consideration.

A Trim Trail consists of a series of exercise stations, (perhaps 6 or more), positioned some distance apart. Each station will consist of a piece of exercise apparatus and an instruction board. The idea being you run/walk between each station and then undertake the exercise. The estimated cost is around £20,000.

It has also been proposed that this trail is constructed around perimeter of The Wilderness. This is the field where the bonfire is held for Guy Fawkes night.

Such a scheme would be a significant departure from the Parish Plan 2005, therefore the Parish Council would very much welcome your views before any decision is made.

Would you be so kind as to complete the brief feedback questions below, stating your Hilton address and return it to the Clerk to Hilton Parish Council, 10 Church End, or email to [clerk@hiltonparishcouncil.com](mailto:clerk@hiltonparishcouncil.com) by the 28<sup>th</sup> September 2020
