County Councillor Keane had arrived (following another meeting) at 8.10pm. He had submitted a written report and summarised it as follows: The County Councillor's March report covers highways, committee work and local engagement across the division. On highways, resurfacing works at Hemingford Abbots are complete, Rideaway drainage issues have been logged, and he continues to press for updates on Huntingdon Road and Hall Green Lane in Fenstanton. He is also closely monitoring the A141 / St Ives Improvement Scheme, where changes have already been made following resident feedback.

At County Council, he attended Adults and Health, Assets and Procurement, Full Council and Pension Fund committees. Key decisions included additional funding for drug and alcohol Treatment services and approval of a £58 million highways maintenance programme for 2026/27. Locally, he attended multiple parish council meetings (including Hilton), community litter picks and civic events, and responded to the government consultation supporting option E, sharing that response with parishes and partners.

He remains available to follow up on any local issues raised.

[25/26-251. Councillors' items – information only. No discussion and no decisions can be made – Local Government Act 1972 s12 10\(2\) \(b\) states that business must be specified.](#)

Cllr Stott reported he had been in discussion with the parishioners responsible for the tree that has fallen across The Ware and options for its safe and suitable removal are being looked at.

Cllr Balicki drew attention to the webinar on April 29th and the workshop on May 5th relating to flood-related issues.

In accordance with Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 that as publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted in the remainder of this meeting it is advisable that the Public and Press be excluded at this point.

It was **RESOLVED** that the County Councillor and members of the public apart from one be asked to leave the meeting.

The meeting was adjourned at 20.53.

The meeting reconvened at 20.55.
